Related styles: KIDS/FAMILY: Lullabies, FOLK: Gentle People who are interested in Enya Jim Brickman Norah Jones should consider this download. Details: While each track on "Moonkiss" is soothing in nature, the album as a whole offers a great mix of voices, instruments, melodies and textures. Whether you're settling down to sleep, reading quietly, making dinner or just relaxing, these tracks are the perfect soundtrack to the calm and peaceful moments in your life. The variety of the songs lets you enjoy this CD over and over without getting tired of it...although, staying awake is definitely optional! Fall into sleep with "Moonkiss," a lullaby CD and debut album from Iced Pita Records. Musicians Heidi Yost, Cory Fournier, and Tyson Marquardt will take you on a meandering journey through a variety of dream-like arrangements of traditional and original lullabies, inspired by world, classical, jazz, pop, and folk musics. You and your family will fall in love with the soothing melodies, lyrics, and instrumentation of classics such as Twinkle Twinkle Little Star, Angels Watching Over Me, and All the Pretty Little Horses, as well as unique new songs like The Places You Will Go, Once Upon a Night, and the title track Moonkiss. Relax, make way for calm and imagination, and drift off to rest . . . to sleep. Heidi Yost voice, piano, keyboards Heidi resides in southern California where she works as a free-lance musician, singer, and studio instructor. Classically trained with a performance background in theatre, Heidi's versatility lends itself well to the angelic and intimate vocal styles heard on "Moonkiss." Cory Fournier guitars, mandolin Leaving music school to tour with a Top 40 group, Cory's musicianship is influenced by a variety of music styles. Based in Phoenix, AZ, Cory teaches his craft and performs in his acoustic duo Just Jade. With Cory's masterful and artistic guitar playing, "Moonkiss" is sure to win the

hearts of any guitar or music lover. Tyson Marquardt trumpet, piano, keyboards With a background in jazz trumpet and a passion for new-age composition, Tyson expresses his unique musicality throughout "Moonkiss." He shares a vision with Heidi and Cory for a lullaby CD that reaches out to listeners of all ages and takes them on a journey of peace and dreams.
