

P53 In The Clinics

[DOWNLOAD HERE](#)

This project follows on the success of the book '25 years of p53', published by Springer in 2006. Since this publication, there have been considerable advances on the potential application of p53 into the clinics. The goal of this book is to capture these developments and to appeal to a clinical and medical audience beyond the one which was the primary target of '25 years of p53'. EAN/ISBN : 9781461436768
