"Never Throw A Boring Party Again, Be Remembered By All Of Your Guests As The Place To Go When There's A Party" Whether You Want To Tend Bar As A Career Or Just Impress Your Friends And Family, Youll Learn Everything You Need To Know Right Here! Date: Your Town, Your State Dear Friend: Does it bother you that you have no idea what a Dirty Martini is? Are you embarrassed when you have no idea whats in a Cosmopolitan? Do you wish you had incredible bartending skills so everyone wants to come to your party instead of someone elses? Its not last call yet weve got the answers you want. Bartending began as a trade years and years and years ago by the people who produced liquor and then sold it to the public. This turned out to be quite a profitable venture for the bartenders and fulfilled the public need for a highly demanded product. Historically, some people have had a particular fondness for liquor. This is an enormous benefit for those who want to pursue bartending as a career. It can also be great fun for those who love to host their own parties. People want their drinks and prohibition proved that absence of product doesnt lessen the demand. Tending bar involves much more than just making drinks. This is especially true if youre heading towards a career in the business. The job includes customer service,

management, security, and sometimes, psychiatrist! Dont go into this venture clueless. Learn Everything You Need To Know In This Book! Our e-book, Bartending for Beginners is a simple, easy-to-use guide that will teach you more than your inexperienced counterparts. When you go into a job, you want to be armed with as much expertise and information as you can possibly find. If youre a big entertainer in your home, this book is perfect for you too! Even if you never have any aspirations of going pro, this book is for you too! What do we cover inside these pages? Youll be surprised. Bartending for Beginners is an easy-to-read, simple guide to learning all of the basics that the pros already know. This book is written so that, if you want to make money as a bartender, youll be ridiculously successful. If you just want to impress your friends, youll be the talk of the town! There is all sorts of advice out there for people just like you. Amazon has dozens of books on the subject. Why spend the money on those books? The Internet offers up tons of info too. You can spend hours looking for the information on your own, but why should you? With This Book, Youll have The Information at Your Fingertips Bartending has put food on tables, paid for college tuition, and made successes out of people who thought they had no direction in life. Sure, tending bar isnt always thought of as a noble profession, but Listen to what one customer said after he read this book. I was wandering aimlessly through life and thought that being a bartender was a good way to meet girls and make a little money. Once I started and learned the ropes, I realized that theres a huge market for liquor and that the better bartender you are, the more money you make. Now, I own my own bar/restaurant. Its the talk of the town, and Im making more money than I had ever dreamed of! I never would have thought so ten years ago! Bobby From Michigan

The opportunities for professional bartenders extend way beyond traditional pubs and taverns. With your newfound skills, the jobs will be coming at you left and right. Restaurants, golf courses, catering companies, and hotels will all need your services. You could be looking at hundreds of dollars in tips every night. What else makes a good bartender? A great personality and a fun demeanour sure doesnt hurt! People expect those who serve them drinks to show them a good time. That doesnt mean that you have to get personal, you just have to be personable. It doesnt hurt when you know a few jokes and tricks to impress and awe your customers or friends. We Found Some of The Best Jokes and Tricks Around! Have you heard the one about the talking mice? How about the one about the Irishman, the Italian, and the Polish guy? Sure, theres a million of them out there! Weve got some jokes that some people will love and some people will roll their eyes at, but theyre sure to remember the person who told them that joke! Bar tricks can be a great way to get free drinks or make a little money. Do you know what to do with an olive and a brandy snifter to wow your customers or friends? We can show you! How about being the life of the party with two little quarters and a little know-how? Weve got the answer! Well show you 12 different ways to amaze and awe those you are serving. If you can make a little money on the side with some bets that that cant be done, whats wrong with that? Well give you the set-up, the procedure, and the result! Itll be a Boo Yah moment for sure when you pull these tricks out of your hat! But drinking isnt all fun and games. Its a serious business when someones faculties are being impaired and youre the one who is helping to impair them. You must know when its time to say enough is enough to one of your friends or customers. Were giving you this information too! Where Else Can You Find Such a Comprehensive Guide? Nowhere! The best part about this amazing book is the price! Ive struggled over how to put a cost on so much information. Some other books cost more than this one, but they dont give you nearly all the information you need. I want this book to be a bargain to you, but also be the most valuable book youve ever owned. Thats why Im offering it to you today for just \$_____.

You read that right. Bartending for Beginners is

available right now for \$_____. When you click the Order button, itll be delivered directly to your computer, and youll have it ready and waiting when you want it. If its 2:00 in the morning and youve gotten off work without mastering Sex on the Beach, all you have to do is open up your book and find the recipe. When all of your guests have left and you were lacking a blender to make that frozen daiquiri, just look into this book to fully stock your bar. Theres No Other Book Like This! And I promise you that! In fact, when you buy Bartending for Beginners, you wont have to worry about being taken for a ride. I stand behind everything I sell. Im so convinced that you will love this book, Im guaranteeing it! Our Famous, 100, 90 Day Money-Back Clear As Black-And-White Guarantee!
