

Chemokine Receptors

[DOWNLOAD HERE](#)

1;Preface;6 2;Contents;7 3;Contributors;9 4;Color Plate;13 5;1 The Birth and Maturation of Chemokines and Their Receptors (Nicholas W. Lukacs and Jeffrey K. Harrison);14 5.1;1.1. Birth of Chemotactic Cytokines, or Chemokines;14 5.2;1.2. Identification of Chemokine Receptors as G Protein Coupled Receptors;17 5.3;1.3. Chemokine Receptors: Beyond Migration of Leukocytes;18 5.4;1.4. The Future of Chemokine Receptors: Are They Valid Drug Targets?;19 5.5;References;20 6;2 The Structural Biology of Chemokines (Elias Lolis and James W. Murphy);22 6.1;2.1. Introduction;22 6.2;2.2. Chemokine Structures;24 6.3;2.3. Chemokine-Receptor Interactions;33 6.4;2.4. Chemokine-Glycosaminoglycan Interactions;36 6.5;2.5. Future Directions;38 6.6;References;38 7;3 Chemokine Receptors: A Structural Overview (Gerard J. Graham and Robert J. Nibbs);44 7.1;3.1. Background of the Chemokine Receptors;44 7.2;3.2. Ligand Binding by Chemokine Receptors;47 7.3;3.3. Primary Structural Determinants of Chemokine Receptor Function;50 7.4;3.4. Signaling by Chemokine Receptors;56 7.5;3.5. Chemokine Receptor Dimerization;57 7.6;3.6. Determination of the Three-Dimensional Structure of the Chemokine Receptors;59 7.7;3.7. Conclusions;61 7.8;References;61 8;4 Chemokine Signaling in T-Lymphocyte Migration: The Role of Phosphoinositide 3- kinase (Laura Smith, Adam Webb, and Stephen G. Ward);68 8.1;4.1. Introduction;69 8.2;4.2. The Role of Phosphoinositide 3-kinase(s) in T- Lymphocyte Migration;69 8.3;4.3. What Is the Significance of Rho GTPases in T- Lymphocyte Migration?;75 8.4;4.4. Activation of Protein Tyrosine Kinases by Chemokines: Relevance to T- Lymphocyte Migration;76 8.5;4.5. Evidence of a Role for Protein Kinase C Activation in T- Lymphocyte Migration;77 8.6;4.6. Importance of Tailoring the Migratory Response;78 8.7;4.7. Conclusions;80 8.8;References;80 9;5 Chemokine Receptors and Neutrophil Trafficking (Teizo Yoshimura);84 9.1;5.1. Introduction;84 9.2;5.2. Role for CXCR1 and CXCR2 in Tissue Infiltration of Neutrophils;85 9.3;5.3. Role for CC Chemokine Receptors in the Trafficking of Neutrophils;88 9.4;5.4. Role for CXCR4 in Neutrophil Retention and Mobilization;91 9.5;5.5. Conclusions;93 9.6;Acknowledgments;94 9.7;References;94 10;6 Chemokine Receptors and Dendritic Cell Trafficking (Hiroyuki Yoneyama, Kenjiro Matsuno, and Kouji Matsushima);100 10.1;6.1. The Concept of Migration-Dependent Dendritic Cell Activation;100 10.2;6.2. Two Subsets of Nave Dendritic

Cells with Distinct Migration and Functional Potentials;102 10.3;6.3. The Impact of Migration of Dendritic Cells on Their Effector Functions;105 10.4;6.4. Regulation by Chemokines of Dendritic Cell Migration Dependent Immunity;107 10.5;6.5. Induction of Primed pDCs by Trans-HEV Migration;108 10.6;6.6. Concerted Recruitment of mDCs and pDCs: The Role of Chemokines;109 10.7;References;111 11;7 Chemokine Receptors and Lymphocyte Trafficking (Michael N. Hedrick and Joshua M. Farber);113 11.1;7.1. Chemokines and Primary Lymphoid Organs;114 11.2;7.2. Chemokines and Secondary Lymphoid Organs;116 11.3;7.3. Chemokines and Lymphocytes in the Periphery;117 11.4;7.4. Conclusions;123 11.5;References;123 12;8 Chemokines in Trafficking of Hematopoietic Stem and Progenitor Cells and Hematopoiesis (Chang H. Kim);131 12.1;8.1. Introduction;132 12.2;8.2. Regulation of Survival and Proliferation of Hematopoietic Stem and Progenitor Cells by Chemokines;133 12.3;8.3. Regulation of the Homing and Mobilization of Hematopoietic Stem and Progenitor Cells;136 12.4;8.4. Development of Hematopoietic Cell Lineage Specific Migration Program;139 12.5;8.5. Conclusions;142 12.6;Acknowledgments;143 12.7;References;143 13;9 Chemokines in Transplantation Biology (Peter Jon Nelson, Stephan Segerer, and Detlef Schlondorff);151 13.1;9.1. Introduction;151 13.2;9.2. The Immunobiology of Vascularized Allografts;152 13.3;9.3. Chemokines and the Directed Recruitment of Leukocytes into A EAN/ISBN : 9781597450201 Publisher(s): Springer, Berlin, Humana Press Format: ePub/PDF Author(s): Harrison, Jeffrey K. - Lukacs, Nicholas W.
