

## Contractor Combatants - Carter Andress

[DOWNLOAD HERE](#)

The enemy is everywhere in war-torn Iraq, and suppliers and construction workers run the same risks as uniformed combatants: guerrilla attacks, suicide bombings, rocket bombardments, and road mines. This is the compelling story of Carter Andress and the unique methods his multinational team used to deliver vital supplies to coalition forces and help rebuild the devastated country. Armed to the teeth with AK-47s, sidearms, and bags full of grenades, these "contractor combatants" engaged in deadly firefights with the enemy while attempting to fulfill their mission and defend their own lives. Some gunned down insurgents. Others were themselves killed. This riveting war story is the first to define the role of this new breed of private warrior and to do so in a gripping and highly graphic narrative.
