Si el cristianismo va a ser una voz convincente y relevante en el siglo 21, necesita un mensaje fresco no una innovacin o una interpretacin novedosa sino un regreso a nuestras races. Y cules son nuestras races? Hasta cierto punto de eso es que trata este libro. Si el cristianismo no se trata del perdn, no se trata de nada. En este libro los lectores sern confrontados con la cruda realidad de cuan profundo necesitamos buscar dentro de s para verdaderamente mostrar el perdn y la misericordia de Cristo a aquellos por los que menos inclinados nos sentimos a concederles perdn o misericordia. El motivo primordial del autor al escribir este libro es ayudar a recobrar la verdadera belleza del cristianismo como se halla en el perdn. Somos una Iglesia en necesidad de renovacin, el autor est convencido que esto se puede lograr al rescatar el hermoso evangelio del perdn. En un mundo donde la fealdad de la furia y la represalia dirigen el guin del siglo 21, la belleza del autntico perdn cristiano es una alternativa convincente. Este libro comienza con el Holocausto a medida que explora lo que significa el perdn y cual lejos llega en el mundo real de asesinato, violacin, abuso infantil, genocidio y otras atrocidades. Lleva al lector ms all de la exposicin bblica usual del tema del perdn as como a pensar Qu hara?
