Bullying behaviors are learned at an early age, so it is more than important than ever to reach the youngest audience and educate them on what bullying behavior is and how it is stopped. Making a Bully-Free World follows a group of young characters from Niceville Elementary School who bully each other and learn how to change their behavior. Young readers will learn about verbal, physical, and social bullying as well as cyberbullying. They will see four examples of bullying and learn how to stand up for themselves and be upstanders for others. They will also learn when to report a situation to an adult and other key advice in order to Make a Bully-Free World! Real-life situations that children will relate to are brought to life with engaging cartoon illustrations. Looking Glass Library is an imprint of Magic Wagon, a division of ABDO Group. Grades PreK-4.
