

## Mp3 Barnes And Barnes - Loozanteen

[DOWNLOAD HERE](#)

Barnes and Barnes revert back to their unique and zany, but bold and friendly musical ways. A good time is to be had by all. 18 MP3 Songs POP: Quirky, ROCK: Psychedelic Details: LOOZANTEEN (1991): Barnes and Barnes return with their first album of new material since 1986. There is some moody and depressing, yet uplifting material to be found here. There is also a return to their zany inimitable style of '80's insanity too! Everything is to be found here including the kitchen sink/sync! Psychedelic, baby! They're TOO good. Includes the hits: Touch Yourself- What's It Like To Be You- I Feel Depressed, and so much more. God help us....
