This CD brings you Brian Cullen and The Magical Otters at their best doing a terrific mix of their Celtic roots tinged with blues, rock and a whole lot of otter fun. 13 MP3 Songs POP: with Live-band Production, WORLD: Celtic Details: Just Right This is the debut album from Brian Cullen and the Rising Pints. It's a great mix of folk and rock sounds. Music Brian Cullen is an Irish musician, songwriter, teacher, and writer based in Nagoya, Japan where he has been living since 1991. He plays a unique mixture of Irish traditional music and his own songs on guitar, mandolin, and harmonica. He plays solo and with the bands The Rising Pints and The Magical Otters. He also writes lyrics for Japanese bands including Belfast and Black Proud. Songwriting Research Brian Cullen is doing research into the songwriting process. It's absolutely fascinating stuff. He's particularly interested in songwriters who are writing in a language that is not their native language. Get in touch if you want to have a chat. Books Brian Cullen is also a writer of many books. Check out the website for more details.
