the hottest holy hip hop compilation in 2007. holy spirit led lyrics, bangin beats, and it's own brand of southern flava make this a must have for any rap fan... 17 MP3 Songs HIP HOP/RAP: Spiritual Rap, GOSPEL: Contemporary Gospel Details: The Cen Tex Holy Hip Hop Compilation Vol 1 is a collection of songs compiled by artists who have a desire that men be reconciled to God by grace through faith. This group of artists are the Acts church of 2007. They have crossed denominational barriers in order to push the agenda of the kingdom. There are a wide range of production and lyrical styles on this project, but all with the message of Jesus Christ crucified for the remission of sins. Artists on this project are Appointed Kingdom Ambassadors, FLOW, J-Mo, DSP (DA Street Preachaz), Big Hoss, Sir Rue, ex-secular rap producer Minister Slugger, Kapone of Austin,TX, and C.L. tha Nightcrawla. There is dirty south flava, west coast flava, and mid-west flava in this pot of Holy Heat. Hit up the samples and see what God is doing in Central Texas with the calling out, purging, and commissioning of rappers who are sold out for Jesus Christ.
