In his album "Cobalt Truth" Johnson demonstrates his vocal, guitar, and writing capabilities as a leader of the impromptu group Roda Band. A strong musical vision and a fresh young (mostly) live band makes this a Contemporary Latin Jazz best. 10 MP3 Songs in this album (37:34) ! Related styles: FOLK: Folk-Jazz

People who are interested in James Taylor Kurt Elling Norah Jones should consider this download.

Details: With this album, David Baumgarten and Daniel Adam Johnson create Project Vida, a musical collaboration of writing, playing and producing eight originals and two covers. Cobalt Truth is meant not only for your listening enjoyment, but as the songwriters and performers 'calling card'. If you are an artist and need material call us! Meanwhile, sit back and have a cool drink, imagine you are on the beach in a favorite place, have not much to do and allow the (mostly) live performances inspire something new where you are. Love to Tathy, Djourdan, KwiYoung and all our loved ones who gave us the inspiration.
