Alien Folk rock fusion 12 MP3 Songs POP: Folkly Pop, ROCK: Funk Rock Details: Quotes The music is familiar, accessible, beautifully executed, Danielle breaks all the molds... Danielle the Book of 13 are sounding mighty fine on this new recording... Sonically it's gorgeous, it showcases not only Danielle's songwriting ability and her gorgeous voice but her amazing guitar work as well... Kal Coat, FM 96.1 Vancouver ... there are moments that rival Pink Floyd or Kate Bush for both drama and sheer sonic loveliness.... Guaranteed to raise goose bumps with their delicious blend of otherworldly passion and enthralling melody. Alexander Varty, Georgia Straight Nov 02 2000 Tunes ranging from funky grooves to soft ballads reminiscent of Daniel Lanois' mystical yet crystal clear sound... The Richmond News, Oct 29 2000 I just listened to the Alien Suite disc. Brilliant work, great music, great mix! "Who are we" completely floored me... The songs, arrangements and performances are outstanding. Tim Kirk, IQS Systems At times folk rocky, but very ethereal. Her voice is absolutely stunning and beautiful. Its richness is well showcased here on many tracks. ... Unlike anything today that radio experiences. Heavy Lenny Bronstein, record promoter Los Angeles I thought babies were beautiful. That sunrise over the Pacific ocean was beautiful. That love was beautiful. That is, until I started playing the Alien Suite this morning.... Absolutely brilliant. Lyrics, mood, performance, productions, everything... Peter Pallett, Producer Vancouver Hauntingly beautiful... made us want to listen to it over and over again. The guitar work is great and innovative. The harmonies on the whole are really nice, different, and very pleasing in an organic way, on a gut level, they reach way down inside you and make you feel alive... Marc Carpentier, DJ, Japan Loved the journey, it sounds fantastic Mile Rheault, producer Vancouver Very creative, the production is amazing... reminiscent of Jeff Buckley... the album is indeed a journey... so much emotion, so over the edge... Taylor James, Artist The CD is awesome! I've listened to it about a 100 times... Julie

Vanderyagt, fan Vancouver Danielle, I love your new CD. I am playing it all the time... a very hypnotic collections of songs.....
