"Sad and beautiful, melancholy yet uplifting" 10 MP3 Songs ROCK: Folk Rock, ROCK: Acoustic Details: "Sad and beautiful, melancholy yet uplifting", these are just a few words to describe the music created by Danny Vasquez. Known locally as a gifted singer/songwriter, he is one of southern California's best kept secrets. Danny's vocal delivery, at times, is reminiscent of the great Gram Parsons. However, his voice is all his own. Much like Ryan Adams, Elliott Smith and Jason Falkner, his insightful lyrics explore the deeper aspects of love, life and meaning. And his music is a poetic combination of country, folk rock and the sonic experimentation of ground breaking artists like Sonic Youth and Wilco. Either playing with his band or performing solo Danny's live shows are introspective and compelling. With tours up and down the West Coast and his ever growing audience in California, its obvious Danny Vasquez is a rising star. Hear him play, see him live and join the many others who agree, one of California's best kept secrets will soon be widely known.
