Details: A Dog'z Lyfe... Songs From Your Dog's Perspective! This CD is dedicated to all who work in support of animal welfare. Hi, I'm Dave Bastien and I have to admit that I'm fairly new to being a dog lover. I wasn't crazy about getting one but my girlfriend Sue was patiently persistent and searched the internet for over a year - looking all over the United States and South America - until she finally she found 'Taylor', 45 minutes from our home, waiting to be adopted from a shelter. I was a bit skeptical at first but fell in love on the drive home! I brought a little pillow and blanket and he just sat in my lap the whole time, looking at me with an occasional 'thank you' glance. Sure there were some training issues in the beginning, but there was always lots of love. It's been three years now and he's still the best thing ever! The life lessons he's taught us have been invaluable, and even though we can't really communicate, we can. Check out 'Take Me For A Walk' and you'll know what I mean! Now I'm hooked and I have to stop and say hello to every dog I meet. They're all so open to making new friends, both with me and with Taylor, although if Taylor isn't with me I think he gets a bit jealous! (see 'You've Been Cheatin' On Me'!)

The songs on 'A Dog's Lyfe' evolved from recognizing those times when our canine friends have something compelling to say and need a little help to find their voice... OK, maybe I took it a step further than what they actually said in a few situations, but it's all in good fun! They all have their own personalities too... some are very sincere :-} have a great sense of humor ;-0 can be playfully vindictive ;-) or even a little indifferent :-|. ...just like the rest of us! Please have a listen and get to know the extended family! Sincerely, Dave
