Award-winning artist Elizabeth Falconer (koto) and John Falconer (shakuhachi bamboo flute) perform original compositions and well-known pieces from Japan, as well as their own arrangements of American spirituals, a romantic classical work, and a lilting Cuban melody. Reaching beyond the style of "meditation music," this is an utterly refreshing take on the versatile sounds of these traditional Japanese instruments.

The CD includes: Enigma, Whispering Trees, Silver River, Spring Sea, Danza Lucumi, Sukiyaki Song, Amazing Grace/Swing Low, Lost Lake Reflections, Scarborough Fair, Je Crois Encore Entendre, Nightingale's Return. Performed by the duo EN.
