

Mp3 Electribe 101 - Electribal Memories

[DOWNLOAD HERE](#)

Trance-dance. An album of haunting melodies to be unleashed and which sees the band who i-D proclaimed were 'the logical step from acid house' brought to the forefront once more. 12 MP3 Songs
ELECTRONIC: Electronica, ELECTRONIC: Acid House Details: Imagine Aretha Franklin backed by Kraftwerk! Electribe 101 were a band from Birmingham featuring German songstress Billie Ray Martin on vocals. And "Electribal Memories" is an accomplished album that oozes class.
