The French word for she coupled with a homonym for the first letter of Louisa 2. A sultry, sophisticated, soulful singer. This rising star wasnt even born when Ella Fitzgerald blessed our ears with her jazz ballads, but when the Ghanaian native heard her smooth vocals as well as those of Patti, Whitney and other pioneers alike, she immediately knew she had found the cornerstone of her signature sound. Performing alongside such greats as Teena Marie, and Doug E. Fresh on the 2005 Ebony Family Reunion Tour, freestyling with Wyclef Jean in the studios of Philly's number one radio station, sharing the stage with Musiq Soulchild's proteges, Aaries in 2008, and preparing for an upcoming performance with Akon's artists, Brick and Lace, Elle proves to have the ability to embed her own musical stylings among those of musical greats. All the while Elle maintains the ability to captivate audiences large and small with her unique sound. Sitting on a degree in Psychology from Temple University, Elle wants to be able to touch people through her music as her predecessors did before her. Her unique sound encompasses her love of style of all music. She has taken command of the local music scene performing and headlining at numerous well known music venues. Ranging from local coffee shops to much larger music venues and clubs within the Philadelphia area, expanding her fan base with every performance. With victories stemming from talent competitions and contests, and not to mention a retired belt in the local open mic scene, Elle, along with her debut album, "Once Upon a Time" will quickly continue to soar to the top.
