Details: Te Amo is a solid opener, but we were especially taken by Lo Que Necesita, on which Rose summons the deep, husky end of her vocal range to powerful effect, and her organ work is choice. This is a very professionally presented CD that should get recognition from devotees. Iliana Rose is nothing short of a fantastic musician. As an accomplished piano player, percussionist, clarinetist and vocalist, she performs with her band and sits in with some of the finest session players in Los Angeles and Miami. As a percussionist her timing is phenomenal and impeccable. She never misses a beat. As a singer her voice is pure, warm, sensual and beautiful to listen to. Iliana captivates an audience in English, Spanish and even a little Portuguese and has a unique ability to phrase that is given only to natural born jazz singers. Born in Miami, and raised by Cuban parents and grandparents, Iliana is steeped in Cuban rhythms and culture. She is a genuine prodigy who started playing music at the age of four only to later graduate from the prestigious University of Miami with a double major, one in Studio Music Jazz Voice and another in Clarinet Performance. She then moved to Los Angeles where she presently lives composing music for films, orchestrating and arranging for twenty five piece Latin jazz bands, working as a recording engineer, producer, lyricist and is the voice behind several radio commercials. Plus she was an on-air personality for a nationally syndicated radio show! Iliana Rose is a complete entertainer. She is spontaneously funny and able to make intelligent hilarious conversations with audience members and it is impossible to resist her charm. In addition to all her talent she is also amazingly beautiful, a diva with a midriff meant to be

revealed. When she performs you cant take your eyes off her. Her presence commands your attention.

We won't soon forget this curvaceous Cuban babe!
