

Mp3 Jazzabillies - Show Me

[DOWNLOAD HERE](#)

Jazzabillies are "Kickin' Western Swing". A drivin' rhythm section (upright bass, rhythm guitar, swing era drums) sets the mood for hot steel guitar, twin fiddles, jazzy lead guitar. Trombone, trumpets, sax, piano compliment the cd. 4 great vocalists 12 MP3 Songs COUNTRY: Western Swing, COUNTRY: Traditional Country Details: Grab your cowboy boots and hats, turn up the Jazzabillies Cd - and you'll be surrounded by great music and happiness! It's truly "Kickin' Western Swing"!!! Western swing has enchanted listeners since its roots and the Jazzabillies continue the tradition featuring hot steel guitar licks, classic twin fiddles, jazz derived lead guitar, honkytonk keyboard, wailin' sax, and a complete big band horn sound including trumpets and trombone. The rhythm section includes a drivin' upright bass with a traditional western swing rhythm guitar and the drum styles of the swing era. It exudes energy, accented beats, excitement and fun! The group blends their love of western swing, honkytonkin' country, blues, dixieland, and jazz to create their own unique style. It's this eclectic mix of instruments and music styles that make the Jazzabillies unique and exciting!

The Jazzabillies bio reads like a who's who of country music! Each of the individual members are successful musicians with an interesting bio. You can read complete bios at jazzabillies.com Jimmy Queen - St Louis Entertainer, St Drummer, and St Louis Band Leader of the Year Starla Queen - Her friends call her "Queen of Western Swing" Dave Owens - Missouri Country Music Hall of Fame Member, Grammy Nominee Scotty Henderson - Kansas Steel Guitar Hall of Fame Member

Magically, Swing music was termed America's music by President Roosevelt. Louis Armstrong Swing music makes everybody smile, it will last forever!! "It's not Swing without a smile!" Swing - fun-loving music
