

Mp3 Jennie Mortimer - Reflection

[DOWNLOAD HERE](#)

contemporary, jazz, music theatre 12 MP3 Songs in this album (41:48) ! Related styles: EASY

LISTENING: Adult contemporary, POP: Pop Details: Born In Melbourne Australia , Jennie comes from a professional musical family. She has studied all styles of voice from Classical to Contemporary and has a Diploma in Music Theatre and voice, from "Trinity college London" Her album "Reflection", is a mixture of Jazz, Music Theatre and Contemporary music. The style of this album is broad appealing to all musical tastes." With this album I wanted to blend the sounds of yesterday with the contemporary feel of today". Jennie has worked in Musicals throughout Australia, cabaret shows and bands and supported acts such as "Boney M" and the "Village people" " I hope my album will be enjoyed by all age groups as I like all styles of music from Judy Garland to Paramore!!!!
