

Mp3 Jermaine Fagan - More 2 Life

[DOWNLOAD HERE](#)

A unique blend of Reggae and hip-hop,conscious and uplifting. 12 MP3 Songs WORLD: Reggae, WORLD: Island Details: Jermaine Fagan also known as Prince was born on the Island of Jamaica. His musical career began as early as 1994 while attending Kingston College. The talented artist migrated to the United States in 1999, where he has continued to write and perform. The song writer, singer and deejay has written songs for artists like Remy Hendrix and have done duets with the late Black Rat and Future Troubles. The revolutionary singer has grown to be a leader in the eyes of many and he is definitely an influential force to those who appreciate positive reggae music. While residing in Portmore, Jamaica, where the artist spent most of his life, he performed at many local stage shows, sharing the stage with artist like Mega Banton, Ras Ghandi, Baby Wayne and Captain Barkley. Jermaine has performed at several events including the annual Yam Festival and Marcus Garvey Parade in Philadelphia. Jermaine also performed at the annual Reggae Festival in New Jersey along with artist, Stylist. The humble but determined artist is definitely one to watch in 2006.
