Rockin' Country Gospel Quartet. This is a fun but soulful eclectic mix of great harmonies and awesome singers. Recorded in Nashville, Tennessee, John Brack has had a gold record career in Switzerland for the past 20 years. 14 MP3 Songs GOSPEL: Country Gospel, COUNTRY: Country Pop Details: John Brack has been entertaining enormous crowds in Europe for over 20 years. His huge hit Es Praline (Jumbalaya tune with a Swiss lyric) set his career rockin and put him in the forefront of American style country music in much of Europe. In his home he has been dubbed Mr. Swiss Country. His country background ushered him into a second career of Country Gospel music where audiences go crazy for his showmanship and soulful singing. John Brack began touring with the Wisemen Quartet (Jim Worthing, Bill Britt, and Todd Murray) in 2004 and they have been selling out ever since. See more at JohnBrack Jim Worthing, Bill Britt, Todd Murray Jim Worthing has been a professional gospel singer for over 25 years. An amazing tenor and songwriter, he tours the USA much of the year to crowds and congregations that ask him back time and time again. Former member of the famous Nashville based Cumberland Boys for over 10 years. See more at JimWorthing.Com Bill Britt has been singing country since he was knee-high to a grasshopper. From a very musical upbringing in Kentucky, Bill moved to Nashville where he got his start at Opryland USA, then onto forming the award-winning quartet The Cumberland Boys. With a wonderfully versatile baritone, Bill can be heard singing everything from first tenor to bass. His solo career is also in full swing with many European appearances throughout the year. See more at BillBritt.net Todd Murray got his start singing gospel and secular music in Pennsylvania before heading to New York City to pursue a musical theatre career. He has been seen all over the United States in various productions. Settling in Los Angeles, he recently recorded his first solo album called When I Sing Low to rave reviews and awards. When the call came to be a part of this quartet as their bass singer, he jumped at the chance.
