A Blues/Rock CD with hints of Pop, Jazz, and Acoustic Rock. Top-notch soulful guitar playing with rich vocals and harmonies. 10 MP3 Songs
BLUES: Rockin' Blues, ROCK: Modern Rock
Details: Justin Joyner has a passion for music that is matched by few. At the ripe age of 22, Justin has already accomplished things that most people do not accomplish in their entire lifetime; opening up for rock and blues acts like Blue Oyster Cult, Eddie Money, Buddy Guy, and Joe Bonamassa, being featured in magazines, newspapers, and other publications, appearing on TLC's "The Wedding Story," becoming an official endorser for Warren Guitars, winning several guitar competitions, and performing on the St. Jude's Telethon for an ABC affiliate. This Recording Academy member's talents also include the ability to play several different instruments and running a dedicated recording studio. Justin's blistering guitar work, smooth vocals, and elaborate songwriting are sure to appeal to everybody. *A unique fact about this CD is that it was ENTIRELY produced by Justin; everything heard on the CD - vocals, guitars, drums, bass, and keyboard parts - were performed and recorded by Justin. Even the mixing, mastering, and artwork design were done by him too! Pick up a copy today!
