Country Traditional King Justin Trevino returns with another great project full of steel guitar, classic fiddle and most important his tremendous vocal range. 12 MP3 Songs COUNTRY: Honky Tonk, COUNTRY: Traditional Country Details: Justin Trevino has become one of Country Musics most staunchest traditionalists. Since his first album over ten years ago, Trevino has released some of the most sought after Texas honky tonk music while gathering an ever increasing amount of fans throughout the country. Take One As Needed For Pain is another guarantee that Trevinos song selection and styling only gets better with time. Trevino called on Texas writer Chuck Cusimano to contribute two songs to the album with When She Does Me Right She Does You Wrong and honky tonk anthem Neon Sun. Trevino and Grand Ole Opry star Jeannie Seely composed the title track while Seely also contributed We Dont. Justin always wanted to work with Nashville session players John Hughey and Pete Wade Heart of Texas Records president Tracy Pitcox said. They did an outstanding job on Take One As Needed For Pain right along with the other great musicians. Country Music Hall of Famer Bill Anderson recorded the old Porter Wagoner standard Ill Go Down Swinging with Trevino while Heather Myles added her brilliant voice to This Time Were Going To Make It. Trevino also added the George Jones standard I Just Lost My Favorite Girl and Red Stegalls My First Night Without You. Take One As Needed For Pain is destined to be another great classic from someone who knows how to make a classic out of virtually anything he sings. People who are interested in Ray Price Johnny Bush Darrell McCall should consider this download.
