Introverted singer/songwriter creates guitar-driven indie pop melodies with a sound reminiscent of Tom Petty and The Beatles mixed with a touch of heartache a la Trembling Blue Stars. 11 MP3 Songs POP: British Pop, POP: 80's Pop Details: "In a wide land under a tender lucid evening sky, a cloud drifting westward amid a pale green sea of heaven, they stood together, children that had erred." - A Portrait of the Artist As A Young Man Under the name of Lucid Evening Sky, singer/songwriter Andy Vought completed a self-titled album in 2006 which was self-released online on January 2nd, 2007. Local radio host Paul Shugrue has featured tracks from the album on his program, "Out of the Box" on 89.5 WHRV, and is calling the album "great." Style Lucid Evening Sky plumbs the depths of introversion to find those sometimes ever elusive melodies that move the soul. Most songs speak to a depressed and painful existence, one that struggles and grapples with psychological confusion, and the dead-endedness of past relationships. In every song is the hope that compassion is not dead, that we are more than just fakers trying to get through, that maybe there is a real faith out there that doesn't place itself high up on a pedestal. But in the meantime, just getting through one day at a time is enough.
