Countryfolkrockhippiebluesjazz---a collection of live cuts, internet collaborations, and one cover of one of my songs by one of my internet friends. 12 MP3 Songs FOLK: Folk Pop, COUNTRY: Country Folk
Details: Mr.Troll is a curmudgeonly but tender-hearted hermit living longer than he ever expected to, therefore having to find new ways to be strange. Many years of playing to captive audiences in living rooms across the country has finally given him the courage to step out into the light of public exposure. What has the world come to? In his own words... "I am The One, The Only, The Original Mr. Troll. Not just another Pretty Face, but a Legend (in my own mind) and a Rock Star (in my living room). Smart enough to know I'm not very good at this, crazy enough to do it anyway. I call it... MINIMUM TALENT/MAXIMUM BALLS!"
