AUTHENTIC HIP HOP. NOT YOUR ORDINARY TOPICS AND CONCEPTS. THE ONLY WORD TO DESCRIBE THE FLOW AND THE BEAT IS FINESSE. 16 MP3 Songs HIP HOP/RAP: Hip Hop, HIP HOP/RAP: Rap Details: This poet poet's childhood is so typical of most of these rappers coming out. However, this is not your ordinary mc. Still in the midst of all that, he survived and sent himself through college. This college graduate/mc is street wise, politically wise, and educated. This knowledge shows in the variety of his songs. He had written songs like "Cartoons" a clever song using cartoon characters to tell hood stories. To the song "She so exotic," a story telling riddle. Every song this guy makes is aimed at moving you physically and emotionally. I don't care if you are a thug or a pretty boy, you will feel this man because he raps with so much passion. His word play is something hip hop is missing at this day and age. The words that would describe this album is creative, integrity, knowledge, streeets, and reality. However, he didn't leave you without any feel good music like "My style," "My companion," and "Rip that." He was political in some songs such as "Everyday" and "I see war." His goal is to flip rap around 360 degrees coming from that angle they not checking or expecting. This album is titled "This is You This is Me" because it is about him and at the same time you will relate to him. Trust me he is definately lyrical with a poetic flow, thats why they call him Poet.
