

Mp3 Shannon Karen - Marks On My Heart

[DOWNLOAD HERE](#)

A talented singer-songwriter, piano player who "sings from the heart and her lyrics are as pure as a Diane Warren song." 10 MP3 Songs POP: Today's Top 40, FOLK: like Joni Details: You Can Now Purchase Individual Songs From Marks On My Heart On iTunes. Just Type Shannon Karen In The Search Text Box. Shannon Karen, is a Singer/Songwriter, born raised in Southern California. She grew up playing the piano in Bach Contemporary festivals, writing poetry and doing art. Shannon's debut album, "Marks On My Heart" is a blend of all of her passions. "All of my interests came together and the songs just started pouring out. I was also fortunate to work with (producer, arranger) Guy Thomas, a great musician, who co-produced the album. Guy just knew where I wanted to go with the songs and his production skills brought a high level of quality to this project." Shannon's style has been described as a cross between Sarah McLachlan Joni Mitchell. A few of her influences are: Peter Gabriel, Sting, ColdPlay The Beatles. Shannon is currently producing her second album. "Shannon sings from the heart and her lyrics are as pure as a Diane Warren song." We got phones on "Burned" immediately. That didn't happen with the new Madonna record"! -Mark Elliott/OM-PD, B95.1 Gavin Magazine's Program Director of the Year. Cumulus Broadcasting. "Great music!! I picked cuts #1, #2, #3, #5 and #6---really like #2 Great sound." - Laney Goodman, Host/Producer, Women in Music with Laney Goodman. womenonair.com "Names" Track 1 - was featured on Garageband.com's Alternative Pop Chart as "track of the day" on Dec. 5 2004 and is currently ranked #22 as "Best Lyrics of All Time"
