

Mp3 Stephen Now - Poets In The Streets

[DOWNLOAD HERE](#)

Songs inspired by people often overlooked but living a wonder all their own. Melodic rhythmic keyboard, guitar and vocals. 11 MP3 Songs POP: Beatles-pop, POP: with Electronic Production Details: Stephen Now has performed/recorded with several bands from Seattle to Boston, and released five albums previous to "Poets In The Streets." Primarily interested in writing and recording Stephen created "Poets In The Streets" as his first solo effort performing and recording all the instrumental and vocal parts. His lyrics are thoughtful and often contemplate life with curiosity and wonder. He is active in advocating for homeless, abandoned and abused children both in the United States and South Africa.
