Kick out the jams, MF--in-your-face Detroit-bred rockin' blues guitar party... 10 MP3 Songs BLUES: Guitar Blues, ROCK: Roots Rock Details: This is Steve's 2nd CD. It features Robert Cray's drummer and keyboard player (Kevin Hayes and Jimmy Pugh, respectively). Steve's long-time bass player and fellow Michiganiaan, Don Bassey, keeps the groove heavy so Steve can lay down some incredible blues-guitar licks on his 1956 Fender Strat! There's some nice slide work on here as well! There are 10 originals and 2 covers on this recording. Steve was Joe Cocker's lead-guitar player for the House of Blues' 1996 Barnburner Tour. After hearing this recording, you'll know why he got the gig!
