

Mp3 The Calhouns - Pickin' On Harmony

[DOWNLOAD HERE](#)

They say variety is the spice of life, and this all original instrumental album has something for everyone. All styles of Rock, Country, Retro, Blues and Easy Listening are represented. 14 MP3 Songs COUNTRY: Country Rock, ROCK: Instrumental Rock Details: Take a bunch of old vintage Harmony guitars and match it with dynamic imagination and a passion for writing guitar music and what do you get? The award winning "Pickin' On Harmony", named Instrumental Album of The Year by the G.P.E.A. The song "Mississippi Mud Dog" is included in a new BBC film "The Natural World-Mississippi" to be aired in the UK and on the Discovery Channel in the USA. "Pickin' On Harmony" is a fantastic collection of 12 great songs that feature a wide variety of styles. Everything from old school Surf instrumentals, Blues, Rock, Country to Adult Contemporary styles are on this album. This is truly a unique concept album, and it has sold very well. All of the feedback has been positive. The most common comment we get is "I have a different favorite song (from Pickin' On Harmony) every time I listen to this album". That is understandable because there is a song for almost any mood and popular music style on this CD. It is a project recorded entirely with vintage instruments. The CD has a warm "real" sound, we get lots of comments from fellow pickers on how much they appreciate the overall tone on this album. Another unique feature is an extensive "audio liner" track that fully explains the album as well as letting the listener know what gear was used on each song! The Calhouns have been touring professionally since 1979. They play all over North America and perform 250+ shows per year. They invite you to visit their website at broadwaymusicco.com/calhouns.htm Their instrumental album "Pickin'On Harmony" is a great collection of songs, written by The Calhouns. Jim Calhoun is the author and web master of the most popular Harmony guitar site in the world, this album is an extension of that popular web site. They invite you to visit the Harmony website at broadwaymusicco.com/Harmony.htm All songs were recorded using only

vintage Harmony instruments, some as old as 1936. Check out the song samples, we hope you enjoy what you hear. Thanks for checking us out!
