Cinematic electronic instrumental music combining elements from jazz, dance, pop, rock, celtic, and more. 10 MP3 Songs NEW AGE: New Age, JAZZ: Smooth Jazz Details: The 4th Album of original music by self-taught, cinematic, electronic composer/instrumentalist Vicki Logan. Here she uses her flute skills in addition to keyboards and synths. Her arrangements vary from a simple sax and piano duet to a full blown orchestration. It's amazing to hear the versatility of the material.

***** "As change is the only real constant in life, I wanted to show my first major life change since delving into the music arena, just before and just after I turned 40. Beginning with a dream, "Twilight Dreams of Paradise", I then start on "The Journey". I travel a new road which leads me "To the Places In My Soul" and then end with "Twilight Dreams of Paradise (revisited)" as I revisit the original dream and see how it has changed and been influenced by my travels." This album is a story of the memories and ongoing experiences with people and places just before and after the "big" life change that so many of us dread. But why? What a fun time! The purpose of this CD is to show that anything is possible. Just believe in yourself and go after your dreams. The only one stopping you from accomplishing anything is you...
