Adam grew up in Munroe Falls, a small suburb outside of Akron. For the last several years, Adam has been recording material in his home studio and has been working with other artists and producers to make this album "A-Bombination" a success. "With years of bottling my life up, I needed to let it out", says A-Bomb. From his bitter adoption to his marriage to drinking it up with friends he tells the world his life. "I hope to tell more in the next chapter of my life, says Bomb. Only time will tell when he comes out with his next album.... CHAPTER 2 MY MUSIC Mr. Bomb has been in the music business for several years. He has had a love for music, if it's writing, producing, mixing, or performing he is doing something that he truly enjoys. In 2004, he sent some "underground" material out to record labels and production companies. Several labels wanted to sign A-Bomb but he had to turn them down because the deals were not lucrative. CHAPTER 3 "A-BOMBINATION" He has recently "2006" put out his highly anticipated album "A-Bombination". "A-Bombination" has already has drawn great reviews. Fans keep saying this album is awesome!! Michael Jenkins of Cleveland says, "this is what Hip Hop needs". "A-Bombination" features several artists and different types of sounds. "A-Bomb brings rock, r and b , dance and as well as his laid back flow" says Jenkins. A-Bomb has worked with several producers and other artists to make his debut album different and appealing to all types of listeners. He recorded the album in Cleveland, Ohio at Lava Room Recordings. There he worked several producers and engineers such as rapper/producer Bishop and Mike Brown. Brown is best known for producing Bone Thugs N Harmony albums. Bishop has worked

with Ray Cash, Young Dro, Johnny Wright(P.Diddy's producer)and other well known talents.

"A-Bombination" features the smash hit "Don't Talk" featuring Cleveland's own Bishop and New York's own Tut.He is one of the top battle rappers around. A-Bomb mixes Rap and Rock with the hit track "I Hate You" which features Mike Stake of Position 6. He slows things down in the emotional "I Miss Ya". "Still Want It All" and the featured single "Dance" are definitely tracks that could make A-Bomb blow up!!!
