

Mp3 Broken Promise Keeper - The Avocado Age Of Radio

[DOWNLOAD HERE](#)

Pure power pop: ten sugar-coated grenades evoking classic 70s AM rock radio, all guaranteed to rot your teeth while you sing along and tap your feet. 10 MP3 Songs POP: Power Pop, ROCK: 70's Rock Details: Broken Promise Keeper is all about the power and the pop. Power in the form of driving guitars, chugging bass lines, and pounding drums. Pop from the vocal harmonies, hook-filled melodies, and crisp production. When done right, it's like a candy-covered grenade. You turn it up and can't help singing along. It rocks out in a way that's almost uncool, it's so fun. While power pop's "popularity" has never regained the glory of the 1960s (starting with The Beatles and The Who) and the 70s (Cheap Trick and The Raspberries) when it was a radio staple, power-pop hits still occasionally rear their catchy heads. But lately, it seems the more respected you are by those who appreciate the genre, the more obscure you are. Broken Promise Keeper assures you this stuff is beyond obscure, and subsequently great! People who are interested in Fountains of Wayne Semisonic Matthew Sweet should consider this download.
