this cd has it all, upbeat, blues- rock, but with a blend of R&B,and solo acoustic blues and rock ballads and more. 10 MP3 Songs BLUES: Electric Blues, ROCK: Classic Rock Details: Bryce Janey began his career in his hometown of Marion, IA at the age of 13 in a blues-rock trio called The Janeys. With his mother on drums and his father BillyLee on guitar, The Janeys played regionally and nationally from Chicago to Los Angeles. They shared the stage with over 50 national acts, including Buddy Guy, Delbert McClinton, Blues Traveler, Johnny Winter and Koko Taylor. While still in The Janeys, Bryce began a solo career and released his first CD, Practice What You Preach, in 1996 on Hot Fudge Music label. This release was later picked up by an independent label in Minneapolis, MN where Bryce began to showcase in local clubs like Whiskey Junction and BrewBakers in St. Paul. Two more CDs were released, Live at Checkers Tavern and Sweet Baby Jane. These early CDs have gained national attention and five stars from Blues Access magazine (1998) and great reviews from Blues Revue and Living Blues, among others. In 1999, Bryce signed with San Diego music attorney, Rod Underhill and became the number one artist on mp3later that year. In 2001, Bryce released his next CD, Bare Wire, and began touring again with his own band and with Iowas own The Blue Band. Bryce played festivals and successful venues like B.B. Kings in Memphis and Buddy Guys Legends in Chicago. The Blue Band also played venues in Minneapolis, Kansas City, St. Louis, Nashville, Denver and Keystone. In early 2003, Bryce released Live At JM OMalleys. That same year, he also released The Janeys with his father, Iowa Rock and Roll Hall of Fame Inductee, BillyLee Janey. He performed with The Janeys father/son team-up, as well as with his own band. Bryces influences include many artists ranging from Gene Vincent, Buddy Holly, and Chuck Berry to Jimi Hendrix, Cream and The Band, in addition to many blues artists
