Smooth easy listening music about time for love. 2 MP3 Songs in this album (7:00) ! Related styles:

EASY LISTENING: Orchestral Pop, COUNTRY: Country Pop People who are interested in Frank Sinatra Tony Bennett should consider this download. Details: Captain RW Biography The man who goes by the name Captain RW has always been committed to defining his own sound. A veteran showman and genuine entertainer in the classic sense of the word, he delights audiences with a blend of standards, jazz, easy rock, inspirational, and Vegas-style showstoppers. Were producing our music with the sounds we want, not with what some A&R professional thinks is the industrys fancy, explains RW. On every track of self-produced CDs like Someone to Share My Rainbow, youll find traces of his long and winding musical path as well as a sincerity that is hard to come by these days. Captain RW began his performing career playing piano, organ, and guitar as a youth with the World Christian Church in St. Louis, Missouri. By age 18 he had become Musical Director and Producer of the World Crusade For Christ radio show, airing on 153 stations worldwide. He then shifted his focus to live music and hit the nightclub circuit, signing with an entertainment agency and touring across 44 states and Canada for many years. In 1976 he caught a recording break when his song Turn Around was recorded by Nashville steel player Pete Drake and hit the Billboard Charts as #4 pick hit of the week for two weeks in a row. Soon after he had the chance to record at Sigma Studio and Future Gold in Philadelphia, accompanied by sections of the Philadelphia Philharmonic. Eventually Captain RW settled in Florida where he put together a state-of-the-art digital recording studio and formed BWC Entertainment a full service studio, label, and publishing company. His two fold objective with BWC is to cater to musics older market with a focus on standards and pop vocals, and to expand on those styles by introducing more contemporary production sounds to the genre. I figured that if I liked different types of music, there must be other people out there who felt the

same way. His hunch was correct and the feedback has been encouraging. Future projects include an album of classic American inspirational songs, a jazz album and a tribute to the great standards of the 30s and 40s.
