

Mp3 David Hakan - Warning Bell

[DOWNLOAD HERE](#)

This is new folk that drives home the importance of meeting the challenges facing our country. Acoustic guitar that fills the hall, choruses you can sing with, and vocals to bring you to your feet. 13 MP3 Songs FOLK: Political, FOLK: Folk-Rock Details: Hakan gives us a voice like John Denver's, wit like John Prine's and the subtle poetry of John Gorka. The guitar sound is clear and luscious. The melodies will have you whistling in the shower and the stories will get you wondering about the world in new ways. You'll find big, sing along choruses on some songs and dense poetry in the tradition of Bob Dylan and Eric Anderson on others. The musical styles will slide from bluesy Motown-influenced folk rock to a cappella Appalachian style and then to modern folk. This project, Warning Bell, Songs for America, puts in one place all of David's songs of social conscience. These songs ask questions rather than preach, paint the future rather than complain about the past, and remind us of what is great about our country. People who are interested in John Denver Pete Seeger John McCutcheon should consider this download.
