Positive Hip-Hop music with a hardcore, edgy sound. 15 MP3 Songs HIP HOP/RAP: Hip Hop, HIP HOP/RAP: Spiritual Rap Details: For many people, music is not simply lyrical melodies, it is part of the soul. For Dan "DiJohn" Dybing, this part of his soul is only getting deeper. DiJohn has had a love for music since he picked up a guitar at the age of nine. Music has only continued to grow its place in his heart. Today, at seventeen, he has devoted his talents to writing and rapping a gospel message for everyone to hear. He blends hardcore rap with gospel music to make a sound that is sure to keep your head noddin'. He is continually striving to perfect not only his ability to deliver a rhythmic gospel message, but also playing multiple instruments, singing, writing his own lyrics, and producing his own work. This is not only a message to be taken to heart, but a message directly from his heart. He is on a mission to make soldiers for Christ and he's not stopping anytime soon. DiJohn delivers a beat that shows that Christian music can go far beyond the traditional hymns on Sunday mornings. It offers people the opportunity to "get crunk" while supplying lyrics that can cut to the depths of your soul. "The Revolution" is DiJohn's Sophomore album and by the feel and vibe of it, it won't be his last. With grammy nominated artists Lisa Keith Bernard and Fresh I.E., the production of this album matches the lyrical content and hard-hitting messages. The Revolution is under-way!!
