## Mp3 Donna Kay - The Journey

## **DOWNLOAD HERE**

Donna's Latest release, The Journey, blends a wonderfully eclectic mix of aboriginal tradition, blues and rock, to form a unique, provocative cultural statement. 12 MP3 Songs WORLD: Native American, POP: 80's Pop Details: We are excited to introduce you to singer, songwriter and percussionist, Donna Kay. Born and raised on Ministikwan Lake, Saskatchewan and currently residing in Okotoks, Alberta, Donnas musical style is a blend of traditional native and contemporary. She is a 2005 Canadian Aboriginal Music Award Nominee for Best Female Artist and Best Songwriter. Donnas latest release, The Journey, blends a wonderfully eclectic mix of aboriginal tradition, blues and rock, to form a unique, provocative cultural statement. Elements of myth, dance and drum combine with an honest, modern, pop-fuelled introspection that engages audiences in a unique multidimensional listening experience. Journey is more than a discovery; it is an assembly, a gathering . . . of spirit.
