Raw and Edgy, Contemporary Christian Rock 7 MP3 Songs GOSPEL: Contemporary Gospel, GOSPEL: Contemporary Christian Details: You are invited to experience the inspired music of Christian Singer/Songwriter Doug Hallock. Doug Hallock along with his band Broken is currently scheduling events for the summer and fall of 2007. In 2004, Doug found himself hopelessly addicted to heroin. Heroin had taken over his life. Separated from his wife of 23 years and his 4 year old daughter, Doug had hit rock bottom. There seemed no way out. God is ever faithful. After his wife and family performed an intervention, Doug found himself in the Teen Challenge program where he found salvation through Jesus Christ, and a new way of life. He began playing the piano, writing music and then going out on a limb singing about the joy that was in his heart. Hear him as he sings about salvation, addiction and recovery. Listen with Doug and the band as they share their hearts and lives with you through the original raw and edgy lyrics of Dougs songs. Here you will find the victory we all can have over our struggles, forgiveness from God and forgiveness of ourselves. Following the release of Take This Cup Dougs debut CD he formed the band Broken. The members of Broken are a diverse collection of musicians who share Dougs heart for Christ and getting the message of salvation and forgiveness out there through his newly founded music ministry. The band is heavily involved in several recovery oriented programs such as Teen Challenge and Celebrate Recovery located at Pantano Christian Church. To schedule an event, request a promotional CD or if you just want to get a hold of us for further information you will find our contact info below. May God bless you and keep you safe.
