Edgar Cayce Reading {987-4} Question: What is my worst fault? Answer:What is ever the worst fault of each soul? Self -self! What is the meaning of self? That the hurts,the hindrances are hurts to the self-consciousness;and these create what? Disturbing forces,and these bring about confusions and faults of every nature.For the only sin of man is selfishness! Question: How may it be overcome? Answer: Just as has been given; showing mercy,showing grace,showing peace,longsuffering,brotherly love,kindness-even under the most trying circumstances. For what is the gain if ye love those only that love thee? But to bring hope,to bring cheer,to bring joy,yea to bring a smile again to those whose face and heart are bathed in tears and in woe,is but making that divine love shine- shine-in thy own soul! Then smile, be joyous,be glad! For the day of the Lord is at hand. Who is thy Lord? Who is my God? Self? Or Him in Whom ye live and move and have thy being- that is all..in ALL,God the Father,the Love-the great Hope,the Great Patience? These are thy all.Keep in the way that is arising before thee, more and more. And as ye open thy consciousness to the Great Consciousness within,there will arise more and more the white light. For He is the light,and the life-eternal.{987-4}
