When you need real music melody, or you need an upbeat sound, or you need to "Rock-Hard", or "Rock-Peacefully In Your Own Mind", or you just simply need to disappear from reality. Buy this song, Listen, and Escape not too hard and not too soft. 1 MP3 Songs in this album (4:34) ! Related styles: EASY LISTENING: Soft Rock, ELECTRONIC: Nujazz Details: Drene Millet Drene has developed the raw skills necessary to incorporate the Visual and Audio Presentational Experience of all of his music. As a kid, Drene was accepted at Stanford University, but he needed to be rooted with the average down to earth students at more subtle university facilities(UC) (not to speak lowly of Stanford) this was done in the effort to relate to the masses. Underneath it all, Drene is a calm, non-self assuming individual who claims that music is just a job, but when people can relate to, and enjoy his music, that's his hard earned reward.
