

## Mp3 Eccentricity - Pop: Today's Top 40

[DOWNLOAD HERE](#)

"Vibrant and fresh" are just a few words people are using to describe the debut self titled release from Eccentricity. 10 MP3 Songs POP: Today's Top 40, POP: Folkly Pop Details: When Eccentricity first set foot in a recording studio, she was hooked. It was there, immersed in lyric sheets, patch cords, and an endless supply of tea, that she began creating a diverse selection of songs to release on her debut album. Dont compare this young twenty year old to any other singer/songwriter you hear on the radio. Eccentricity is anything but ordinary with her spontaneous, ambitious approach to life and infectious personality. Eccentricity feels compelled to write and record songs that reflect the little things in lifethings that are often over-looked in the world of commercial music. She was raised up on the lonely prairies of Alberta as a farmers daughter far away from the busy city and the fast paced world. Some, dream of escaping that world and settling down someplace far away. Eccentricity was the opposite. She dreamed of one day escaping her life to stand in front of a big city, crossing the country in search of life, eccentric people, and the opportunities an adventure into the unknown would bring her. With that desire, an old classical guitar and big dreams, Eccentricity climbed to where she is today. From a small child with a dream, Eccentricity has performed everything from musical theatre to radio broadcasting. She sings inspiration and heart to the souls of real music lovers. Inspired by the simple things in life, Eccentricity continues to grow as an artist. Eccentricity's debut album is a collection of folk/pop songs that whisper to dreamers...and those who have a zest for life. Eccentricitys first offering of music is sure to captivate the souls of many, while rejuvenating the youthful imagination that some have abandoned. The Calgary based folk/pop performer will bring her intimate live performance to cities across the nation and soon the world, following the album's release. Constantly working to conquer each and every goal she sets for herself, Eccentricity strives to reach global success one chorus at a time. With a lust for achievement and

plenty of innovative ideas for this album, she is on the verge of success. Now, with the arrival of her debut album and Eccentricity's ever growing fan base, it's only a matter of time before this small town girl is on the world stage.
