

Mp3 Eugene Lavayen A.k.a Eugene Castro - Just This Little Thing

[DOWNLOAD HERE](#)

just a little something to make a foot note 4 MP3 Songs in this album (16:15) ! Related styles: POP: Today's Top 40, ELECTRONIC: Dance Details: Born and raised in Panama City Panama, this young artist gets his inspiration from the daily struggles and joys of life. By the age of 18 he was working in the radio industry performing radio jingles and promotional tracks and by 20 he had already came up with his first non edited release "Because I Love You" in his home country. Moving forward and after several garage bands and groups he decided to pursue his solo career by joining forces with the talented record producer "J. Montablo" from Mellogroove Ent. and coming up with new a refreshing original tracks.
