Intelligent alternative rock compositions influenced by the best of brit rock/pop. 9 MP3 Songs ROCK: Modern Rock, POP: British Pop Details: Finding Mercury is the alternative rock synthesis of four musicians. Their influences range from mainlanders like 'Switchfoot' to Brit-Rock phenoms like 'Cold Play', 'Muse', and 'Delirious'. FM's music is highly electric, emotionally profound, and full of hooks. The band makes a matchless contribution to their genre because of their unique yet complementary backgrounds in rock, pop/punk, fusion, classical and funk. When someone said, "Finding Mercury is a musical band," it was in appreciation of the artists' individual contributions to the group sound. Finding Mercury is currently packing its schedule with promotional events to get their music out to the people. For starters, Finding Mercury is aggressively touring Northern California where they have been building a local fan base from Santa Rosa to San Francisco to Sacramento and Reno. One can find this tight-knit band playing with internationally acclaimed groups such as Lava/Atlantic Records artist 'Skillet', Word Records artist 'Building 429' and with local rising stars-'An Opiate for Angels'. Additionally, FM's promotional work includes the release of first, a self titled EP in May of '05 with L.A. producers--Chris Julian (Billy Idol, Queen Latifah) and Robert Vaughn (Mint and Sister Gypsy) and then, the release of their Debut Album-titled 'Vehicle' with Transitmusic's Ken Abellon; this new album is an inspiring example for listeners of their prolific sound. Finding Mercury vowed to let nothing divert energy from their driving passion to create live music that blows unsullied creativity back into the mind of each listener. Jesse Garcia of 'Building 429' says, "After sharing the stage with these guys, I was blown away by the many colorings in the music and it translates amazingly well on their new album 'Vehicle'." Finding Mercury is a must see live performance. Their music exudes vulnerability while being an emotional and electric experience for all!
