Details: Five Alarm Funk is Vancouver's own afro-funk orchestra. For more than five years the band has brought their relentless grooves to clubs and major festivals across Western Canada. Intense horn lines and percolating afro-beat guitar combined with the interplay of four percussionists create an unstoppable dance party. The 11-piece phenomenon has performed over 120 shows throughout Western Canada, sharing stages with such artists as Michael Franti Spearhead, The Herbaliser, Sly Robbie, Fishbone and Xavier Rudd. In the process the band has built an enthusiastic fan base, large enough to twice fill the Commodore with over 900 fans in 2007. Voodoo Hairdoo, the bands second studio album, captures the boundless energy of Five Alarm Funks live show. It is a journey from fast funk and dance-crazed Latin to epic reggae and thunderous Afro-beat.
