

## Mp3 Holly Dimond - Freedom

[DOWNLOAD HERE](#)

Do you want to dance? Do you want to cry? Do you want to experience God more deeply? Do you want to find hope and be encouraged? You will find all of these in Holly's cd. These songs reflect various style of music: Contemporary, Folk, Alternative, Rap and 13 MP3 Songs FOLK: Traditional Folk, GOSPEL: Contemporary Gospel Details: Holly Dimond is a Christian artist who has written several songs about her struggles battling and overcoming severe depression, addictions and various illnesses(Crohn's Disease, allergies, severe chemical sensitivities and mental health problems). God's love, power and community have helped to set her free from so much pain. Yes, she still has struggles, yet, she is on her recovery journey....daily encountering various trials...yet overcoming because God is her only hope and answer. Daily, we are each struggling and learning to overcome our own challenges. We need each other and most importantly, we need God. Whether you are a Christian or not, you will be pleasantly surprised by this cd. You will enjoy and be encouraged by the various styles of music in this cd; ranging from instrumental to alternative to contemporary. Shalom!
