Quirky, upbeat pop with strong, original songwriting. 8 MP3 Songs POP: Quirky, ROCK: Folk Rock Details: Right Lane for the Right Turn is John Muther's second home produced album. It marks both advancement in home recording for John and more importantly in songwriting. Richer, more organic instrumentation on this album make for a fuller sound even though it is still only John playing, singing and writing everything. A little louder and a little faster, it is a forward movement and one worth a listen.
