The critically-acclaimed orchestral soundtrack to Dreamfall - The Longest Journey. 22 MP3 Songs
CLASSICAL: Orchestral, ELECTRONIC: Virtual Orchestra Details: Dreamfall - Original Soundtrack
Experience the original orchestral score to the award-winning game. At times huge and epic; at times intimate and sensitive, the music of Dreamfall - The Longest Journey revisits every key moment in the story. When you played the game, you explored vast cities and deep forests, you travelled across the seven seas and into endless caverns--like nothing you had ever seen before. Now you can let the music take you back through your journey - your Longest Journey.
