Wash. D.C. singer-songwriter Liz Meyer's first CD, WOMANLY ARTS, was #1 on the Euro alt-country/folk radio charts for 8 months on its release in 1995. "The guest musician list on WOMANLY ARTS reads like a who's who in folk music today. The production and instrumentation are without flaw; the songwriting solid. Meyer's vocals find an interesting common ground between harshness and sweetness..." (Dirty Linen, USA) "A great voice, exceptional songwriting..." (Flatpicking Guitar Magazine, USA) "Liz Meyer has got to be one of the finest songwriters in the English language, and one of the most soulful singers in any language. Clearly, Meyer is destined to become one of the most important voices in acoustic music." (Music Review, USA) "Liz Meyer has a beautiful voice and a great sense of melody." (Emmylou Harris, Strictly Country Magazine, The Netherlands) "This American singer displays multiple talents as vocalist, lyricist, and composer. A triumph in folk, country, and bluegrass. A superb album from the lovely Liz." (Les Apache Hebdo, Belgium)
